Free version available?

Yes, a free version with essential tools is available. Premium features (e.g., higher resolution export, AI tools) require a subscription.

Short description:

Pixlr is a user-friendly online photo editor and graphic design tool suitable for quick image editing, layout creation, and basic design work. It offers AI-powered features, templates, and layer support, making it accessible for beginners and useful for creative educational projects.

Key strengths:

- Easy-to-use interface suitable for all skill levels.
- Works entirely online, no download required.
- AI-powered tools for background removal and quick edits.
- Large library of templates and design elements.
- Encourages creativity and visual storytelling skills.
- Supports project-based learning (e.g., posters, comic panels, book illustrations).

Limitations:

- Some features (e.g. high-resolution export, advanced AI tools) require a paid plan.
- Limited offline functionality.
