Co-funded by the European Union

# DIGITAL TOOLBOX

## Tool name: Storybird

**Category:** Tools for creative writing and storytelling

**Official website link** https://storybird.com/

**Available languages:**

- Interface available in EN

**Free version available?**

Yes

**Short description:**

Storybird does not offer a downloadable, offline version of their platform. It is primarily a web-based application where users create and share stories using provided artwork. While users can download their stories as PDFs for personal use, the platform itself requires an active internet connection to create and access content. The core functionality of creating stories, which involves selecting artwork and writing text, is done within the online platform.

**Key strengths:**

- A very simple and an engaging tool.
- Ready-made high quality digital visualization.
- Helps young people develop critical thinking skills
- Inspires young people to build confidence and creativity in their writing.
- A supportive and leading Web 2.0 tool in terms of both teaching and learning writing skills.

**Limitations:**

- Restricted access to content and features in free version.
- Users can't upload their artwork and face restrictions on story length without a paid subscription.
